Code: 9.240.453  
RRP: \$1299.00

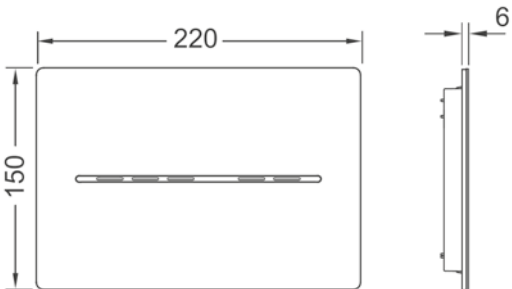

**Transformer**  
Code: 9.810.012  
Include with TECESolid E

## TECESolid Electronic

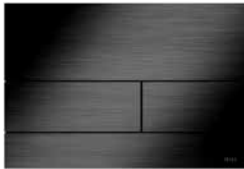

ToF (Time of Flight) sensors measure and interpret movements in three dimensions and over time. TECE is now using this technology in the toilet for the first time. The new sensor measures distances much more precisely than a conventional infrared sensor and can distinguish between movements in the room as well as hand and sitting positions. When a person enters the recognition range, the button areas (single or dual-flush options) light up. Actuation takes place at a distance of about two centimetres between the sensor and the user's hand. If the user forgets to flush, the program automatically actuates the safety flush. The touch-free actuation and the safety flush support the hygienic requirements in public toilets.

## TECESolid—Installation notes

- Suitable for TECE cisterns 9.300.355 and 9.041.321.
- TECESolid transformer must be installed at the same time as the cistern.
- Transformer supplied with TECESolid E.
- TECESolid E installation set up is via the TECE Smart Control App.
- Minimum 25mm wall thickness required for installation.
- The 25mm is measured from the front of the cistern to the finished surface.

# TECEsquare Metal - PVD

**Brushed Black Chrome - PVD**  
Code: 9.240.836  
RRP: \$1099.00

**Polished Gold Optic - PVD**  
Code: 9.240.839  
RRP: \$1099.00

Code: 9.240.837  
RRP: \$1099.00

**Brushed Red Gold Optic - PVD**  
Code: 9.240.840  
RRP: \$1099.00

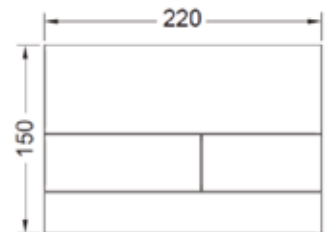

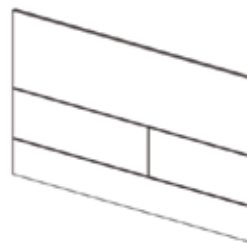

**Brushed Gold Optic - PVD**  
Code: 9.240.838  
RRP: \$1099.00

**Polished Red Gold Optic - PVD**  
Code: 9.240.841  
RRP: \$1099.00

## TECEsquare Metal PVD

The new PVD surface finishes for toilet flush plates of the TECEsquare metal series now allow for harmonious bathroom design right down to the details. They are colour matched to the latest offers from leading manufacturers including those from leading European collections.

## TECEsquare Metal PVD—Installation notes

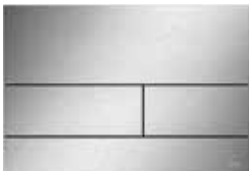

Suitable for all TECE cisterns

Minimum **30mm** wall thickness required for installation. The 30mm is measured from the front of the cistern to the finished surface

# TECESquare Metal

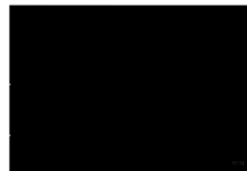

### Stainless Steel

Code: 9.240.830

RRP: \$619.00

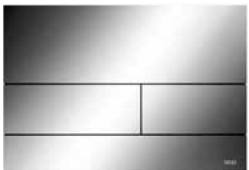

\*Anti Finger Print Coating

### Matte Black

Code: 9.240.833

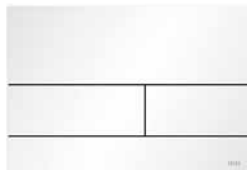

RRP: \$619.00

### Chrome

Code: 9.240.831

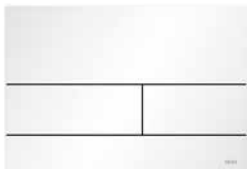

RRP: \$679.00

### Matte White

Code: 9.240.834

RRP: \$619.00

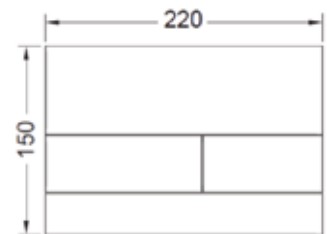

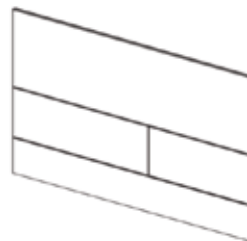

### Gloss White

Code: 9.240.832

RRP: \$619.00

## TECESquare Metal

You can really sense the high-quality button mechanics of the TECEsquare in your finger tips with every actuation. Three fine joints on the clearly structured surface characterise both buttons for the flush – a wide button for the full flush and a small one for the partial flush.

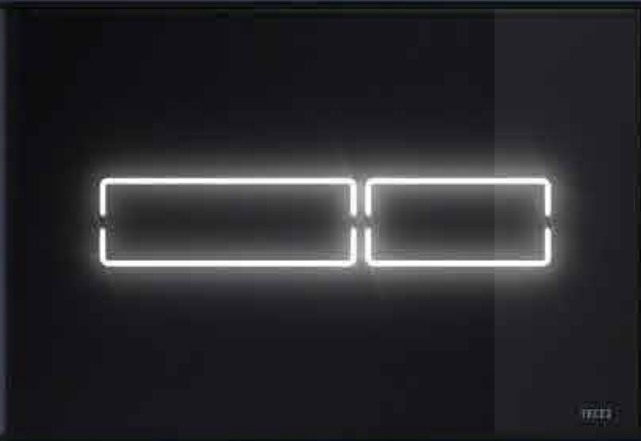

## TECESquare Metal —Installation notes

Suitable for all TECE cisterns

Minimum 30mm wall thickness required for installation. The 30mm is measured from the front of the cistern to the finished surface

# TECElux Mini

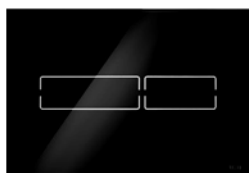

## White Glass LED

Code: 9.240.960

RRP: \$899.00

Transformer and remote included with button.

## Black Glass LED

Code: 9.240.961

RRP: \$899.00

Transformer and remote included with button.

## Suitable TECE Cisterns

Wall Hung 16cm Uni

Code: 9.300.355

RRP: \$729.00

WELS: 4 Star

Floor Mount 16cm Uni

Code: 9.041.321

RRP: \$429.00

WELS: 4 Star

## TECElux Mini

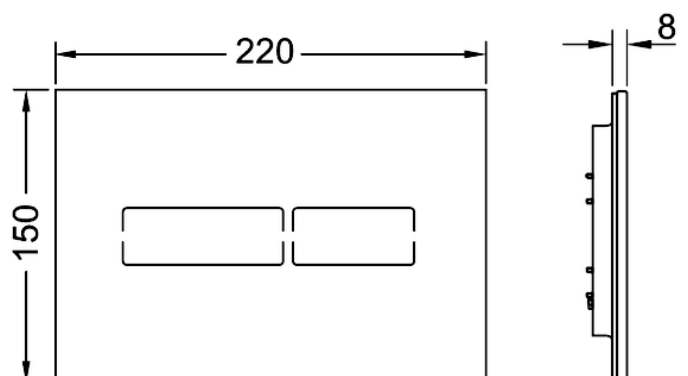

A reduced design and high-quality materials make TECElux Mini a modern design element in the bathroom. The flat glass surface is low-maintenance and durable, while impressing with its extra-flat structure. A corresponding installation frame also lets you integrate it flush into the wall.

### TECElux Mini —Installation notes

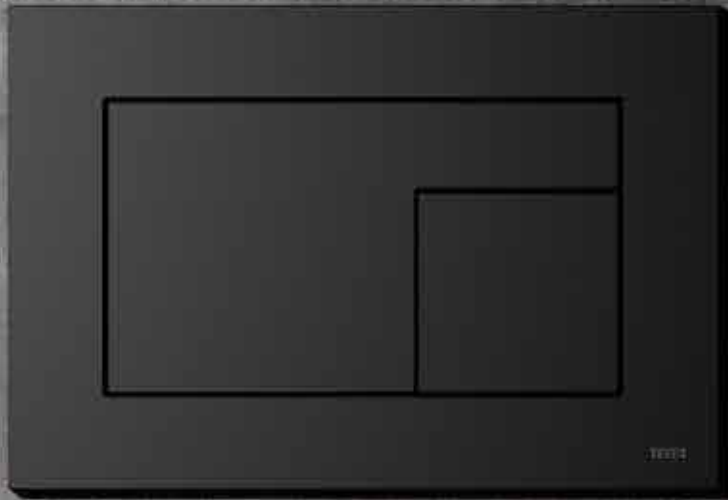

Suitable for 9.300.355 and 9.041.321

Minimum 18mm wall thickness required for installation. TECElux Mini transformer to be installed at the same time as the cistern.

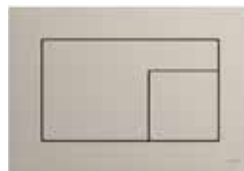

Suitable for Recessed Installation—see page 19 for more info

# TECEvelvet

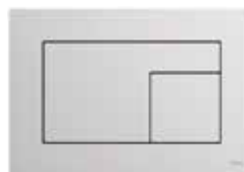

**Light Brown**  
Code: 9.240.730  
RRP: \$599.00

**Sandy Grey**  
Code: 9.240.733  
RRP: \$599.00

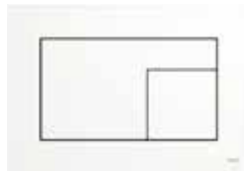

**Anthracite**  
Code: 9.240.731  
RRP: \$599.00

**Stone Grey**  
Code: 9.240.734  
RRP: \$599.00

**Deep Black**  
Code: 9.240.732  
RRP: \$599.00

**Matte White**  
Code: 9.240.735  
RRP: \$599.00

## TECEvelvet

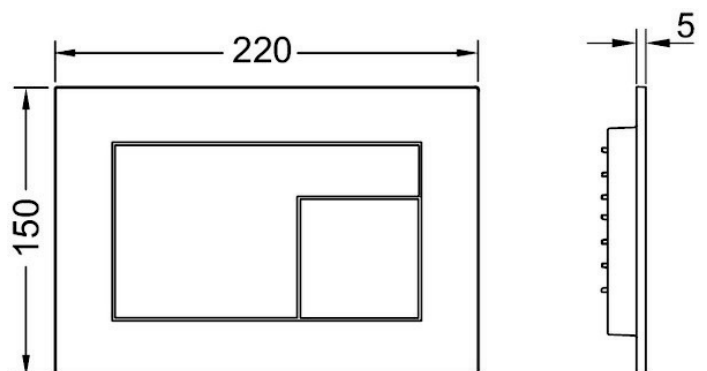

The surface of TECEvelvet appears as irregular as a hilly landscape under the microscope. This unique structure diffuses the light rather than reflecting it and gives TECEvelvet its extremely opaque appearance. A new generation of acrylic resins forms a closed surface preventing the penetration of dust and water. An ideal material for the bathroom.

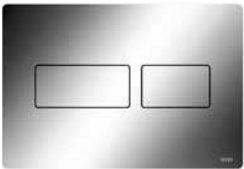

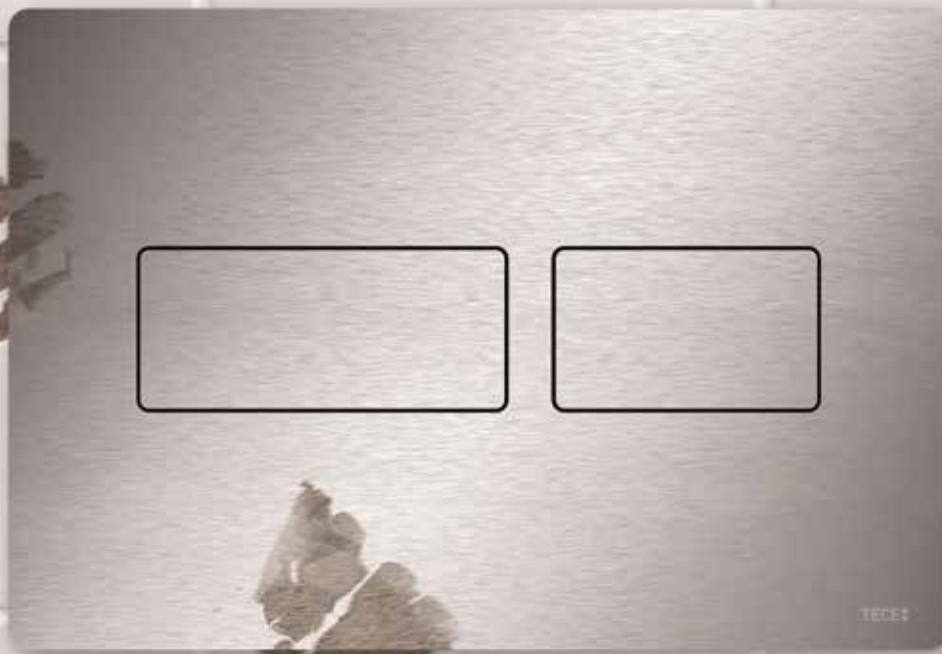

### TECEvelvet—Installation notes

Suitable for all TECE cisterns

Minimum 25mm wall thickness required for installation. The 25mm is measured from the front of the cistern to the finished surface.

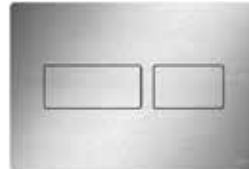

Suitable for Recessed Installation—see page 19 for more info

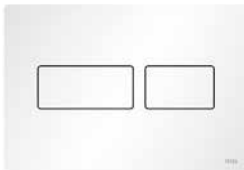

**Chrome**

Code: 9.240.431  
RRP: \$499.00

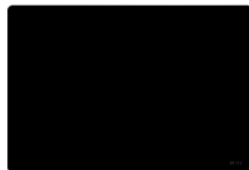

**Stainless Steel** - Anti Finger Print

Code: 9.240.434  
RRP: \$479.00

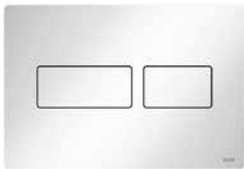

**Gloss White**

Code: 9.240.432  
RRP: \$479.00

**Matte Black**

Code: 9.240.416  
RRP: \$479.00

**Matte White**

Code: 9.240.433  
RRP: \$479.00

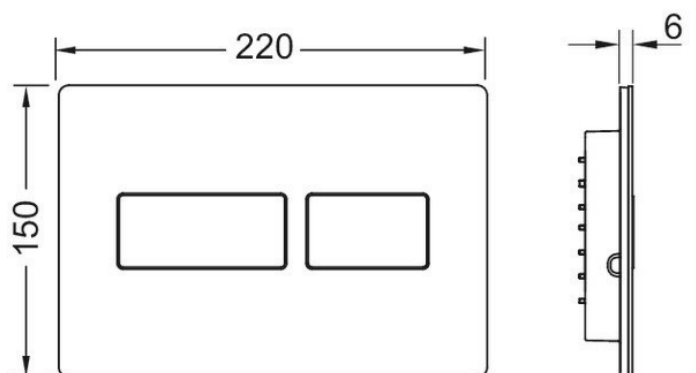

**TECEsolid**

Puristic design, robust installation, attractive price – attributes that make the flush plate series TECEsolid particularly interesting for use in residential and semi-public areas. The plates have a resistant, two milli-metre-thick stainless steel surface and can be screwed concealed for reliable protection against theft.

**TECEsolid—Installation notes**

Suitable for all TECE cisterns.

Minimum 25mm wall thickness required for installation. The 25mm is measured from the front of the cistern to the finished surface.

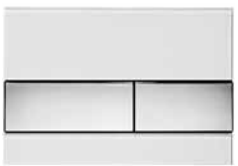

# TECESquare Glass

**White - White**  
Code: 9.240.800  
RRP: \$419.00

**Black - Stainless Steel**  
Code: 9.240.806  
RRP: \$419.00

**White - Stainless**  
Code: 9.240.801  
RRP: \$419.00

**Black - Chrome**  
Code: 9.240.807  
RRP: \$419.00

**White - Chrome**  
Code: 9.240.802  
RRP: \$419.00

**Black - Black**  
Code: 9.240.809  
RRP: \$419.00

## TECESquare Glass

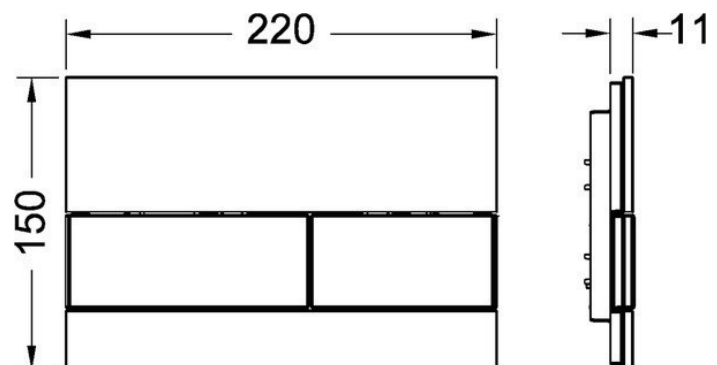

With its combination of colour and material, the TECESquare flush plate made of glass in white looks especially light on bright wall claddings. For an even more uniform look, all TECESquare flush plates made of glass can also be flush-mounted.

### TECESquare Glass—Installation notes

Suitable for all TECE cisterns

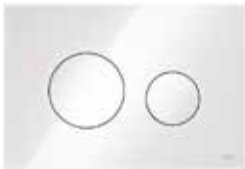

Minimum 18mm wall thickness required for installation. The 18mm is measured from the front of the cistern to the finished surface.

Suitable for Recessed Installation—see page 19 for more info

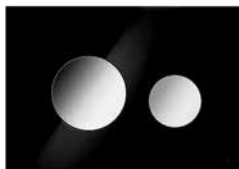

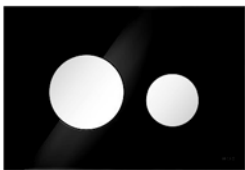

# TECEloop Glass

**White - White**  
Code: 9.240.650  
RRP: \$289.00

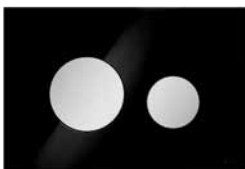

**Black - Chrome**  
Code: 9.240.656  
RRP: \$289.00

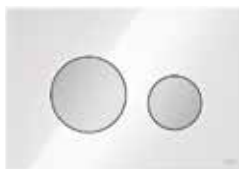

**Black - White**  
Code: 9.240.654  
RRP: \$289.00

**Black - Black**  
Code: 9.240.657  
RRP: \$289.00

**Black - Matte Chrome**  
Code: 9.240.655  
RRP: \$289.00

**White - Matte Chrome**  
Code: 9.240.659  
RRP: \$289.00

## TECEloop Glass

Reduced to the essential with a harmonious look - that's TECEloop with its distinct round buttons. The combination of different materials and colours for the buttons and covers gives rise to more than a hundred different looks – to suit every bathroom.

### TECEloop Glass—Installation notes

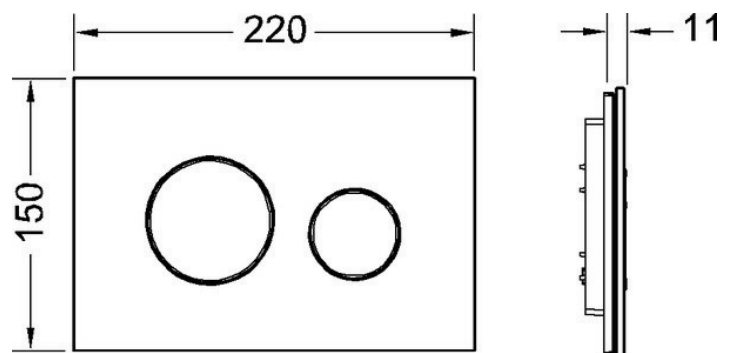

Suitable for all TECE cisterns

Minimum 18mm wall thickness required for installation. The 18mm is measured from the front of the cistern to the finished surface.

Suitable for Recessed Installation—see page 19 for more info

Code: 9.240.322  
RRP: \$219.00

**Old Brass**  
Code: 9.240.366  
RRP: \$799.00

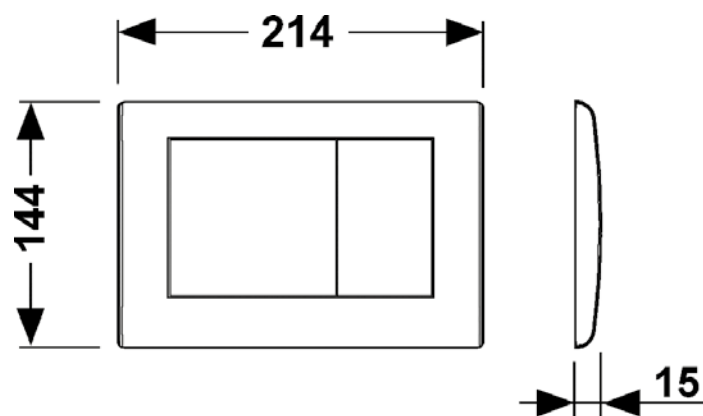

## TECEplanus

Ideal for special challenges: TECEplanus, the robust stainless steel flush plate for public facilities. Concealed screw also protects against theft – and makes TECEplanus ideal for public sanitary areas.

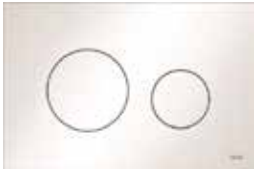

### TECEplanus—Installation notes

Suitable for all TECE cisterns

Minimum 18mm wall thickness required for installation. The 18mm is measured from the front of the cistern to the finished surface.

# TECEloop ABS

**Gloss White**  
Code: 9.240.920  
RRP: \$149.00

**Gloss Black**  
Code: 9.240.924  
RRP: \$149.00

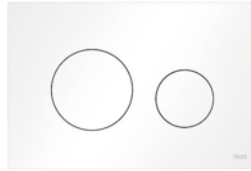

**Chrome**  
Code: 9.240.921  
RRP: \$149.00

**Matte Black**  
Code: 9.240.925  
RRP: \$199.00

**Matte Chrome**  
Code: 9.240.922  
RRP: \$149.00

**Matte White**  
Code: 9.240.926  
RRP: \$199.00

## TECEloop ABS

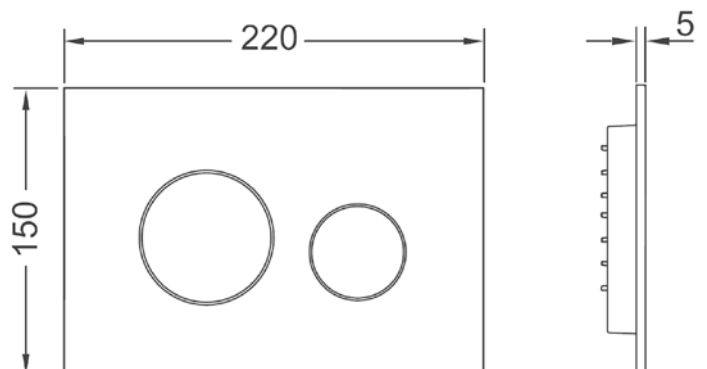

Discover TECEloop in the popular plastic design, now with flush-mounted buttons – for an even more modern and harmonic appearance. Brand new: The range of TECEloop plastic has been expanded, too. From now on our design classic in plastic is also available in the trend colours matte black and matte white.

### TECEloop ABS—Installation notes

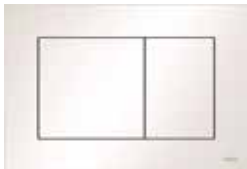

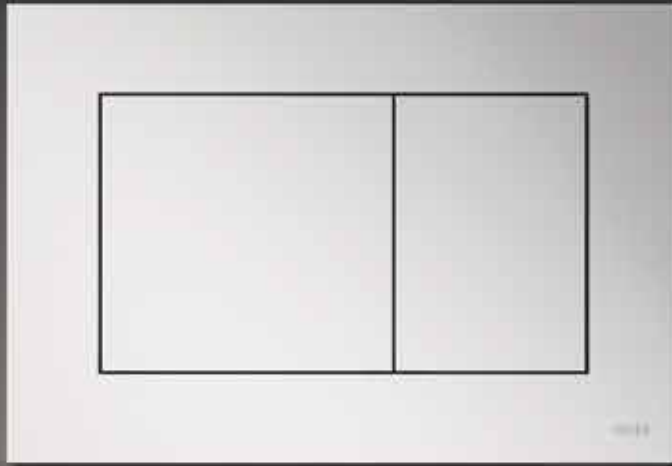

Suitable for all TECE cisterns

Minimum 18mm wall thickness required for installation. The 18mm is measured from the front of the cistern to the finished surface.

Suitable for Recessed Installation—see page 19 for more info

# TECEnow

Code: 9.240.402  
RRP: \$149.00

**Matte White**  
Code: 9.240.417  
RRP: \$199.00

## TECEnow

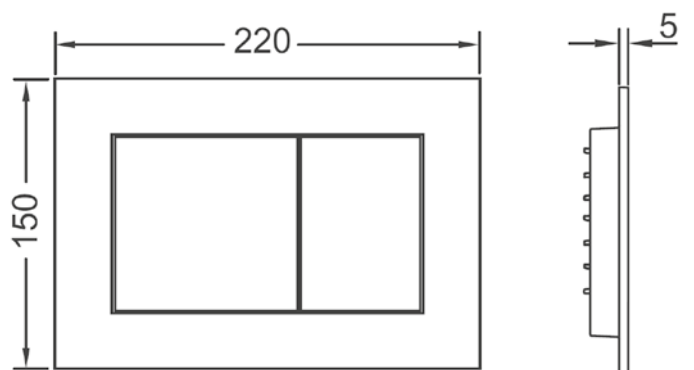

Generous buttons in an extra-flat frame characterise the look of TECEnow. The extra-flat construction of the flush plate at just 6 mm also underscores its clear effect. TECEnow can also be flush-mounted as an option.

### TECEnow — Installation notes

Suitable for all TECE cisterns

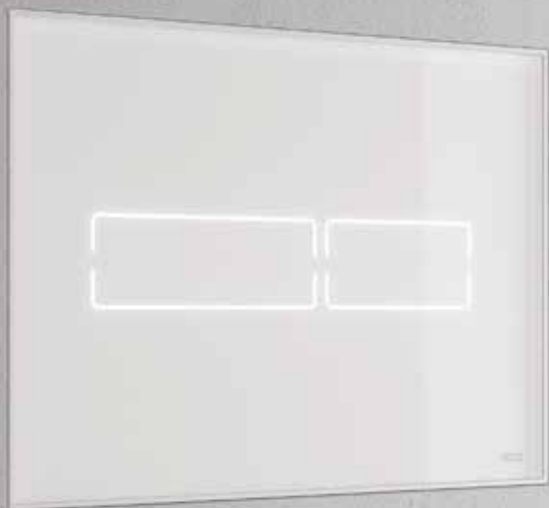

Minimum 18mm wall thickness required for installation. The 18mm is measured from the front of the cistern to the finished surface.

Suitable for Recessed Installation—see page 19 for more info
