**SWISS MADE**

## NDW - made in Switzerland

*Blending creativity and design with innovation and functionality.*

This project is the cornerstone of NDW, a company that exports its products all over the world, created in **1999** by **Fabrizio Nobili**.

## A SITE RICH IN IDEAS

NDW is a Swiss company and has its headquarters in the heart of Grisons. The site was carefully chosen because it has great influence on our activities. So, Switzerland because of its tradition of technology excellence in the art of mechanical precision, and because of its culture of respect for the environment, to which NDW has totally adhered by obtaining zero pollution from its production.
